

Emergency Preparedness Plan

The Grand Healthcare System is proud to offer a full continuum of premium healthcare services across our state-of-the-art healthcare facilities. Whether you are here for an extended stay or for one of our premium specialty care services, our compassionate staff is on call to help you achieve your wellness goals in comfort.

With this mission in mind, we at The Grand Healthcare System have developed an Emergency Preparedness Management Plan.

Comprehensive Emergency Preparedness Management Plan

Evacuation Plan: Evacuation may be required if there is a fire or other hazard. The evacuation team will direct the evacuation of the building and account for all residents, staff and visitors to an outside safe location.

Sheltering Plan: If warned to “shelter-in-place” from an outside hazard, a warning will be broadcast. The emergency response team will direct the all residents, staff and visitors to shelter locations.

Fire Emergency Plan: If a fire is reported, pull the alarm, (if available and not already activated) to warn all occupants. The emergency response team will direct the evacuation of the affected location/building and account for all residents, staff and visitors to safe location.

Plan Distribution & Access

The plan will be distributed to members of the emergency response team and department heads as appropriate. A master copy of the of the plan will be maintained by the emergency response leader. This plan will be available for review by appointment.
